

MCF user's fees

The following microscopy systems are registered with the DFG to apply for extra funding in your DFG proposal.

The listed fees are calculated for the introduction phase. Before you apply for DFG funding please contact: Jörg Rösner (jörg.roesner@charite.de). Any changes of pricing will be announced well in advance on the MCF homepages and by email to all regular users.

All instruments of the MCF not listed are free of charge until further notice.
